## FIRE ACTIVITY

### Cal OES Fire Preparedness Levels

National	Northern California	Southern California
Preparedness Level 1	Preparedness Level 2	Preparedness Level 2
	Multi-Agency Coordination System MACS Mode: 2	Multi-Agency Coordination System MACS Mode: 2

- Please note: The National and Regional Preparedness Levels are maintained by the National Multi-Agency Coordination (MAC) Group and are separate from Cal OES activation levels.

#### Cal OES Fire Missions

- **2019-FIRE-402:** Incident Number: CA-CDF-000127. Request for five 20-person Hand Crews each and all necessary personnel, support, transportation and materials. 65 additional soldiers to be trained and ready to backfill. Assigned to fuel reduction efforts in SHU, NEU, BEU, and FKU (1 Crew in each unit with the exception of 2 crews in FKU).

#### Statewide Fire Map

- Click [here](#) for a link to the current Statewide Fire Map (updated weekdays at 0800 hours).

#### Pre-Position of Fire Resources

Cal OES Fire and Rescue staff are coordinating with local Operational Areas (counties) to preposition fire apparatus and personnel to augment local resources in preparation for the current Red Flag fire weather event. The following resources have been requested by the local Operational Areas and approved via the California State Mutual Aid Pre-Incident Preparedness Guidelines:

- Marin County: CA-OES-190040: 1 Strike Team of Local Government Engines (5 Type 3 Engines) (units from Region II), 1 Type 2 Water Tender (Marin County) 1 Local Government Dispatcher. Resources will be staged in the Central Marin Hwy. 101 Corridor. (Start time 10/05/19, 2000 hours)
- Lake County: CA-OES-190039: 1 Local Government Task Force made up of 4 Type II/III Engines and a Local Government Water Tender will be staged in the area of Clearlake City. 1 Local Government Dispatcher will be at the ECC. (Start time 10/05/19, 1300 hours)
- Sonoma County: CA-OES-190041: 1 Strike Team (5 Local Government Type III Engines), 1 OES Type 1 Water Tender, 1 Local Government Dispatcher. Located at 2372 Circadian Wy., Sonoma CA (Start time 10/05/19, 2000 hours)
- Napa County: CA-OES-190042: 1 Task Force (4 Local Government Type III Engines and 1 Local Government Type I Water Tender) at American River and 1 Dispatcher at LNU ECC in St. Helena. (Start time 10/05/19, 1700 hours)

# CALIFORNIA 911 SYSTEM

CA 911 Outages		
Northern California	Central California	Southern California
No 911 Outages	No 911 Outages	No 911 Outages

## 9-1-1 Outages/Remote/Community Isolations

### Public Safety Power Shutoff, Butte, Plumas, and Yuba Counties

PG&E has notified the State Warning Center of a decision to de-energize for Butte, and Plumas Counties. Not all areas of the affected counties could be affected. The projected timing of the weather event is forecasted by PG&E to begin at 2200 hours 10/05/19, to 0800 hours 10/06/19.

- The Central Offices have 3-4 hours of battery backup and a fixed generator with 72 hours of fuel and auto start if commercial power fails. The alarms are monitored 7x24x365 by the Frontier & AT&T NOC, trouble tickets are sent to the field via to dispatch technicians to investigate and repair the outage.
- The Remote Offices have Approximately 8 hours of battery backup power with no Utility power and will alarm at the NOC when and if they go out of service. Communities and Customers serviced by Remote Offices that lose battery power will go into a Community Isolation Status and customers will not be able to reach 911.
- Neither Frontier or AT&T have notified the 911 Branch of any outages at the time of this notice.

### Service Interruptions

- None reported.

# **WEATHER OF CONCERN**

## **NORTHERN CALIFORNIA**

- Critical fire weather conditions are expected across western portions of the Sacramento Valley, Delta, Coastal Range, and the northern Sierra and foothills through this afternoon due to gusty wind and low humidity.

## **SOUTHERN CALIFORNIA**

- Dry conditions with near-normal temperatures expected through early next week with some breezy to gusty winds today and Tuesday for Southeast California..

### **Weather Advisories, Watches, and Warnings currently active in California:**

- <http://www.wrh.noaa.gov/hazardSummary/?state=ca>

### **Active Weather Warnings, Watches and Advisories by County:**

- <http://www.wrh.noaa.gov/hazardSummary/?state=ca&bycounty=1>

# **WEATHER KEY POINTS**

**10/06/19 - 10/12/19**

## **Sunday-Tuesday**

- Areas of critical fire weather conditions expected to continue into Sunday afternoon for portions of Coastal and Inland Regions in northern CA
- Elevated, with some periods of critical, fire weather conditions are expected in Southern Region, especially interior portions of southwest California each night and early morning period through early Tuesday as gusty northeast winds combine with low overnight humidity values
- Slightly above normal temperatures expected into Monday, then a cooling trend into Tue

## **Wednesday-Saturday**

- Gusty north winds will create elevated to locally critical fire weather concerns for the Coastal and northern Inland regions early Wednesday-Thursday
- Gusty southwest winds for interior portions of Southern Region and southern Inland Region Wednesday
- Confidence increasing for a moderate Santa Ana wind Thursday-Friday that will have increased fire concerns due to the extended period of warm and dry conditions preceding this event
- Offshore winds may also create elevated fire weather concerns across the North Bay areas, western portions of the Sacramento River Valley, and the northern Sierra foothills areas again late in the week
